Oasis Church Calendar -- July 2026 - June 2027

This calendar exists to show the rhythms and flow to the Oasis Church ministries for the year 2026 - 2027. The purpose of this calendar is to provide ministry staff an overview at the year for the organization as a whole.

While some things may change on this calendar, the expectation is that this calendar reflects both the large pieces and the repeated, expected ministry offerings for this year. Changes to the calendar, including both additions and subtractions, should be discussed with the Executive Team.

The calendar is color coordinated and corresponds to our Communication Strategy Scopes for planning and promotion purposes. The following grid is used to guide communication efforts.
